

MEMORANDUM FOR: Chief, Air Systems Division, OEL/DD/S&T

25X1A SUBJECT " [] Project

25X1A 1. I am not satisfied with the proposals we have in Systems Research Laboratory regarding []

2. At a meeting of 5 May, it is concluded that several sites would be selected and a request for proposal developed reflecting the requirements of these sites whether a land or submarine station would be employed.

25X1A

3. At a meeting today with [] it appears that some progress has been made in the selection of sites in which operations can be conducted. By 20 May I would like to have this business wrapped-up. Would you let me have a complete program by 20 May including the following:

- a. The sites against which operations are to be conducted,
- b. The information to be obtained,
- c. The schedule by which equipment can be made available,
- d. The expectant cost of the program,
- e. Complete schedule including final report.
